Woven Together Ministry Training College started as a vision from the Lord in 2018. Our church leadership team often prays for our surrounding community in every direction from the very top of our hill. A particular day in August of 2018 stood out in that, as we were praying, the Lord showed three of us the same vision at the same time. After saying our collective, "Amen," we turned to each other, saying in 2 different languages, "you'll never believe what the Lord just showed me!" To each of us, He gave the same vision: a Bible College (as a ministry and building) nestled into the dip of the hilltop. A Bible College ministry was never on our radar, but did match an earlier vision He gave us at that same place: that His light would go out in every direction and overtake the darkness! After further confirmation from the Lord, we soon took bold steps of faith - the first was to purchase the land shown in the vision, as it wasn't part of our compound. Around the same time, the Lord gave Pastors Luther and Sandy Meier (missionaries based in England) a corresponding vision to develop a Bible College curriculum for men and women in rural Kenya, especially for non-readers. The Holy Spirit soon brought both parts of the vision together and in January, 2019, through many hours of conversation and prayer, the three of us felt fully led by the Holy Spirit about how to take the next steps, and our bible college / practical ministry training college was born.

The 1-year course, called "Foundations of Faith and Practical Ministry," has been fully led by the Holy Spirit and collaboratively written by the three of us over a span of 7 years. It's written and taught to be of equal meaning and impact for both readers and non-readers alike, from any culture. We want our students to know the foundations of their faith and to know the Bible deeply. But that's not enough. Our students then must put everything they learn into action by the power and authority of the Holy Spirit - sharing the Gospel and leading others to be born again, teaching and discipling others, laying hands on the sick and seeing them healed and boldly delivering others to freedom from demonic oppression. Basically living out the Great Commission. By the time our students are graduating, they each know they've been called by God, to be teachers, preachers, healers, pastors, evangelists, and set apart for the Gospel of God (Romans 1:1).

Our first class of students started in March, 2019. During that first enrolment, we held classes periodically as 'Modules' and were writing curriculum as led by the Holy Spirit. After a pause during covid, classes resumed and led to our first graduating class of 8 men and women in March, 2022. Our second class of 12 graduated in November, 2023, again a mix of readers and non-readers.

And lastly, our third class of 14 graduated in August, 2025. We had a really diverse class, with students from different tribes and languages, a mix of men and women, ages from 19 to 75, and ranging from one University graduate, a few High School graduates, a few with some primary schooling, and around half had never been to school. Our next class will begin mid-2026. We have been meeting temporarily for the past 7 years mainly in our church building, which is made of iron sheet walls and roof, and is quite hot in the afternoons!!

Our graduates now lead Evangelism teams and are on the prayer ministry team at our church and others. Some are now on the church teaching/preaching team, a few are now assistant Bible College and practical ministry teachers, a few have gone on to plant and pastor churches

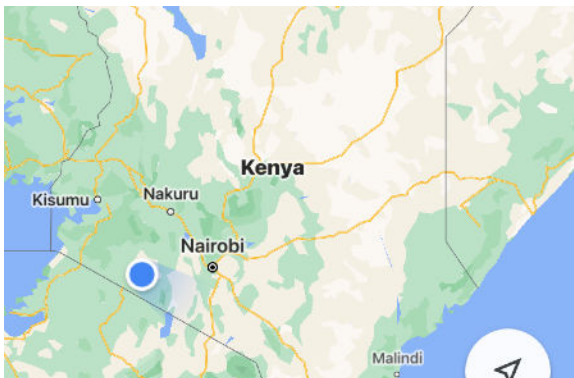

in their home areas - according to their calling and giftings. They are active and moving daily in the power of the Holy Spirit as they go through their days...some in full-time ministry, some in employment, some as business owners or family care-takers...but through the context of their individual callings, they are sharing the Gospel of Jesus Christ, helping others to be born again, seeing the power of the Holy Spirit working through them to heal and set free.

Over the course of the past few years, we've been getting the land ready at the top of the hill, where the Bible College building will be constructed. At the Lord's direction, we built a 21-foot cross at the very top of the hill. We have made a temporary rough road to the top, adequate for now to allow dump trucks to deliver building materials to the site. The entire hill compound is enclosed by a solar-powered electric fence. The foot-print of the building - in the shape of a cross with an open courtyard in the middle - has been excavated. In 2023, the Lord suddenly said it was time to get water up to the top of the hill and through a series of financial miracles, the borehole was drilled and water is now pumped from the source, up 475 meters (1,560 feet!) to the Bible College site.

Our Architect is now finalising the plans. The cross-shaped building will have 4 sections...the top will be the chapel; the right side, the administration wing; the long bottom section, the class rooms. The left side 'arm' will be 2 stories due to the ground level sloping on that side, and will be the dining room on the main level, with the kitchen and restrooms below. The building size is estimated to be 10,800 square feet.

Here is our story pictorially through the years!

Jesus tells us to:
 ...Go into all the world...
 ...Preach the gospel...
 ...Baptize people into His kingdom...
 ...Make disciples...
 ...Teach them to obey His commands...
 ...Be filled with Holy Spirit power...
 ...Cast out demons...
 ...Lay hands on the sick and they will recover...

Meliyo's testimony:

"I am a Maasai mother of 9 children (raising them on her own), and a grandmother of many. **I have never gone to school** and I don't know how to read. But...**I CAN** share the gospel of Jesus. **I CAN** help people to repent and believe and be born again! **I CAN** put on my spiritual armour each day. **I KNOW** the 10 Commandments, what they mean and **I CAN** teach them to my children. **I CAN** cast out demons and break off curses. **I CAN** lay hands on the sick and pray and see them healed in Jesus' name!"
